About DealFlow Networks

DealFlow Networks specializes in equipment for service providers with a particular focus on products that fit into the "Triple Play" of voice, video, and data. The deployment of cost effective infrastructure that efficiently and reliably delivers these three critical services is a tremendous challenge for today's service providers. DealFlow Networks provides product lines that fit into all aspects of the "Triple Play" network from CO level equipment such as next generation optical platforms to CPE equipment that allow the service provider to complete the delivery to the resident or business. For more information, contact Jim Pacelli, VP of Marketing and Business Development at jpacelli@dealflownetworks.com.
